ARTICLE II. COVENANTS, CONDITIONS AND RESTRICTIONS

1. General Statement. It is the intent of this document to guide each Owner to produce a community consistent with the best of the local architecture and landscaping. The guidelines presented here are general in nature, with reliance on the Architectural Review Committee to interpret and apply them to the individual house designs and to make recommendations to the Board for ultimate approval or denial.

2. Administration: Architectural Review Committee. The Tilghman-On-Chesapeake Architectural Review Committee referred to herein and in the succeeding sections of this Declaration (the “Architectural Review Committee”) shall have all the rights, powers and duties granted to it by Declarant pursuant to the Declaration. The Architectural Review Committee shall be at all times comprised of three (3) members appointed by the Board of Directors for a term of three (3) years from the date hereof, and thereafter until his successor shall be duly appointed. At any time after the aforesaid three (3) year period, the then members of the Association shall have the power, upon a majority vote of the Board of Directors, to elect new members to, or otherwise change the membership of the Architectural Review Committee, so long as the Architectural Review Committee shall at all times be comprised of three (3) members. In the event of death or resignation of any member of the Architectural Review Committee during said three (3) year period, the Board shall have the sole right and authority to appoint a successor by a duly executed and recorded instrument, designating the name and address of such successor. At any time, or from time to time during said three (3) year period, the initial members of the Architectural

Review Committee may be replaced for any reason with other individuals selected by the Board in its sole discretion. All questions shall be decided by a majority of the members of the Architectural Review Committee, and such majority shall be necessary and sufficient to act in each instance and on all matters. Each member of the Architectural Review Committee, now and hereafter appointed, shall act without compensation for services performed pursuant to this Declaration. The Architectural Review Committee shall promulgate design guidelines (the "Design Guidelines") in order to guide Owners in making applications for Architectural Review and maintenance of the Lots.

3. Architectural Review.

3.1. No Structure shall be constructed on any Lot, nor shall any addition (including awnings and screens), change, or alteration therein or thereto, including any retreatment by painting or otherwise of any exterior part thereof, (collectively, "Alterations") be made to the exterior of any Structure and/or contour of any Lot, nor shall any work be commenced or performed which may result in a change of the exterior appearance of any Structure until the plans and specifications, in duplicate, showing the nature, kind, shape, dimensions, material, floor plans, color scheme, location, proposed topographical changes, together with the estimated costs of said construction, Alterations or other changes, the proposed construction schedule, and a designation of the party or parties to perform the work, have been submitted to ~~and recommended for approval in writing by~~ the Architectural Review Committee, its successors and assigns, ~~with such~~ for a recommendation to the Board, and approved by the Board in writing after review of the recommendation of the Architectural Review Committee, and until all necessary permits and any other governmental or quasi-governmental approvals have been obtained. The recommendation for approval of the Architectural Review Committee or final approval by the Board of any Structure, Alterations, or other changes, shall in no way be deemed to relieve the Owner of any Lot from its obligation to obtain any and all permits and approvals necessary for such Structure, Alterations or other changes.

3.2. The Architectural Review Committee shall consider applications for recommendations to the Board for approval of plans, specifications, etc., upon the basis of conformity with this Declaration and shall be guided by the extent to which such proposal will insure conformity and harmony in exterior design and appearance, based upon, among other things, the following factors: the quality of workmanship; nature and durability of materials; harmony of external design with existing structures; choice of colors; changes in topography, grade elevations and/or drainage; the ability of the party or parties designated by the owner to complete the future construction, Alterations and/or other changes proposed in accordance with this Declaration, including, without limiting the foregoing, such factors as background, experience, skill, quality of workmanship, financial ability, etc.; factors of public health and safety; the effect of the proposed Structure, Alterations and/or other changes on the use, enjoyment and value of other neighboring properties, and/or on the outlook or view from adjacent or neighboring properties; and the suitability of the proposed Structure, Alterations and/or changes with the general aesthetic value of the surrounding area.

3.3. The Architectural Review Committee shall have the right to refuse to recommend approval of any such plans or specifications, including grading and location plans,

which are not suitable or desirable in its opinion, for aesthetic or other considerations. Written requests for approval, accompanied by the foregoing described plans and specifications or other specifications and information as may be required by the Architectural Review Committee from time to time shall be submitted to the Architectural Review Committee by registered or certified mail, electronic mail or in person in which case a written receipt shall be obtained. In the event the Architectural Review Committee fails to recommend for approval or disapproval any plans within ninety (90) days of receipt thereof, such plans shall be deemed recommended for approval, and the Board shall review such plans. Recommendations for approval and Board approval of any particular plans and specification or design shall not be construed as a waiver of the right of the Architectural Review Committee to disapprove such plans and specifications, or any elements or features thereof, in the event such plans and specifications are subsequently submitted for use in any other instance. The Architectural Review Committee shall have the right to charge a processing fee, not in excess of Two Hundred Dollars (\$200.00) plus actual costs after due notice to and approval by applicant, for such requests, which processing fee may be increased by the Board by the larger of 3% per year or the rate of inflation as determined by the CPI-U for the period from the last increase to the proposed increase.

3.4. Construction or alterations in accordance with plans and specifications approved by the Board pursuant to the provisions of this Article shall be commenced within six (6) months following the date of approval, or within such other period as the Board shall specify in their approval. In the event construction is not commenced within the period aforesaid, then approval of the plans and specifications by the Board shall be conclusively deemed to have lapsed and compliance with the provisions of this Article shall again be required. After construction, all Structures, Alterations and/or other charges shall be maintained continuously in strict conformity with the plans and specifications so approved and all applicable laws. If any Structure is altered, erected, placed or maintained on any Lot other than in accordance with approved plans and specifications therefore, and applicable law, such action shall be deemed to be a violation of the provisions of this Declaration and, promptly after the Association gives written notice thereof to the Owner thereof, such Structure shall be removed or restored to its condition prior to such action, and such use shall cease, so as to terminate such violation. If within thirty (30) days after having been given such notice, such Owner has not taken reasonable steps to terminate such violation or to obtain an extension in writing, any agent of the Association may enter upon such Lot and take such steps as are reasonably necessary to terminate such violation. Such Record Owner shall be personally liable to the Association for the cost thereof, to the same extent as he is liable for an Assessment levied against such Lot, and, upon the failure of the Owner to pay such cost within ten (10) days after such Owner's receipt of written demand therefore from the Association, the Association may establish a lien therefore upon such Lot in accordance with and subject the provisions of this Declaration applicable to an assessment lien.

3.5. Any member of the Board or the Architectural Review Committee, upon the occurrence of a violation of the provisions of this Declaration, and after the Association or the Architectural Review Committee gives written notice thereof to the Owner of the applicable Lot, at any reasonable time, may enter upon and inspect any Lot and the exterior of any dwelling or improvement thereon, to ascertain whether the maintenance, construction or alteration of such Lot, dwelling or improvement is in accordance with the provisions hereof.

4. Animals. No animals, livestock, or poultry of any kind, including pigeons, shall be raised, bred or kept on any Lot, except that dogs, cats or any household pets, not exceeding two (2) in the aggregate, may be kept, provided that they are not kept, bred or maintained for any commercial purpose, and provided that they are kept so as to avoid becoming a nuisance to the neighborhood or to any adjoining property owners and do not roam unattended on the Property.

5. Building Heights. No dwelling shall exceed two and one-half (2 1/2) stories or thirty-five (35) feet in height, and no accessory structure shall exceed one (1) story or fifteen (15) feet in height, exclusive of chimneys and/or antennas.

6. Clothesline. Shall be situated out of sight of neighboring views. Placement to be approved by the [Board after review of recommendations of the](#) Architectural Review Committee.

7. Critical Area Setbacks. No Structure shall be located within the one hundred (100) foot setback from the Chesapeake Bay and its tidal tributaries as required by the Chesapeake Bay Critical Areas Legislation, nor within one hundred (100) feet of the mean high water mark. In the event such legislation is not implemented, or is modified, amended or provides for a variance procedure thereto, said setback shall in no instance be less than one hundred (100) feet from the mean high water line of any Lot. Sideline and front-line restrictions shall be as otherwise shown on the plat of subdivision.

8. Driveways. Driveways and parking areas on any Lot in Tilghman-On-Chesapeake shall be, and remain, permanently covered in material approved by the [Board after review of recommendations of the](#) Architectural Review Committee.

9. Erosion Control. No Lot shall be so used as to cause any pollution to waterways, streams or ponds on or adjacent to the Lots or to any adjoining property's water supplies. No Lots shall be so used or maintained as to cause any erosion of soil or sediment into such waterways, streams or ponds. During the grading and construction of any improvements upon any Lot, adequate arrangements shall be made to ensure that no erosion of soil or sediment into such waterways, streams or ponds shall take place.

10. Exterior Materials. All primary exterior materials of any Structure constructed on a Lot shall be in accordance with the Design Guidelines.

11. Family Child Care. No Lot nor any of the roads, sidewalks or other Common Area may be used for the establishment and operation of a "Family Child Care Home," as such term is defined in Section 11B-111.1 of the Real Property Article of the Annotated Code of Maryland (the "Code"). Notwithstanding the foregoing, the prohibition against the use of a Lot as a Family Child Care Home may be eliminated by the affirmative vote of Owners having at least fifty-one percent (51%) of the total number of votes then held by all of the Owners, in the manner provided in the Bylaws of the Association. In the event the Association approves the use of a Family Child Care Home as hereinabove provided, (i) the number of Family Child Care Homes operating in Tilghman-On-Chesapeake shall not exceed seven and one half percent (7.5%) of the

total number of Lots in Tilghman-On-Chesapeake; (ii) in order to assure compliance with subparagraph (i) above, each Family Child Care Home shall register with the Association before opening a Family Child Care Home; (iii) the “Child Care Providers” (as such term is defined in Section 11B-111.1 of the Code) shall pay on a pro rata basis based on the total number of Family Child Care Homes operating in the Association, any increase in insurance costs of the Association that are solely and directly attributable to the operation of the Family Child Care Home therein; (iv) each Family Child Care Home which is registered and operating in the Association shall pay to the Association an annual fee for the use of the Common Area in an amount not to exceed fifty dollars (\$50.00); and (v) each Family Child Care Home and Child Care Provider shall otherwise comply with all of the provisions of Section 11B-111.1 of the Code.

12. Fences and Walls. No fence, wall or other similar enclosure may be built on any Lot which shall exceed four (4) feet in height and shall not impede surface drainage. The height restriction shall apply to enclosures of patios, pools, or open gardens, privacy screens or work area screens, and shall not apply to retaining walls required by topography or screening for vehicles where no garage is constructed, where such enclosures are approved in advance by the [Board after review of recommendations of the](#) Architectural Review Committee; provided they do not extend beyond the minimum building lines to any Lot line, and provided that they are located to the rear of the front face of the Structure. Under no circumstances, however, may such enclosures exceed a height of six (6) feet. Such enclosures may extend beyond the minimum building line as permitted by the Lot Zoning Plan to a Lot line, provided any such enclosure is fifty percent (50%) “See-through.” No fences, walls or hedges shall be placed nearer to any street Lot line than the minimum building line. All fences and walls must receive the prior written approval of the Architectural Review Committee. Any such fence or wall shall be decorative in character (rail, picket, etc.), and not of chain link or chicken wire. The foregoing restriction shall not be construed to prohibit the growth of an ornamental hedge fence, which shall be kept neatly trimmed, in the front yard of any Lot or the side yard of corner Lots, trimmed to a hedge of not more than three (3) feet.

13. Hot Tubs – Above Ground. Shall be situated out of sight of neighboring views. Placement to be approved by the [Board after review of the recommendations of the](#) Architectural Review Committee.

14. Land Use. The Lots, except as hereinafter provided, shall be used for private and residential purposes only and no Structure of any kind whatsoever shall be erected, altered or maintained thereon except a private dwelling house with enclosed garages or such other full or partial enclosure or screening approved by the [Board after review of the recommendations of the](#) Architectural Review Committee for not less than one (1) non-commercial vehicle, and swimming pools, or any of them, as accessory structures for the sole and exclusive use of the Owner or occupant of the Lot upon which said accessory structure is erected. None of the Lots shall at any time be used for semi-detached houses, duplex houses, apartments, or other type of multiple housing units; it being the intention that all of the Lots shall be used solely for single family detached dwellings, and no other purposes, except such purposes as may be specifically reserved in the succeeding sections of this Declaration.

15. Lease Agreements. All lease agreements with respect to any Lot or any dwelling located thereon shall be in writing and submitted to the Board for approval. The minimum term of all lease agreements shall be one (1) year and shall state that the lease agreement shall be subject to these Covenants. Current copies of any lease must be supplied to the Association. Owners who do not reside on their Lot must provide current addresses and phone numbers to the Association.

16. Lighting and Wiring. The exterior lighting on Lots shall be directed downward and shall not be directed outward from the boundaries of any Lot. All wiring on any Lot shall be underground.

17. Lot Zoning Plan. The configuration of the Lot on the Property is designed to provide each Owner with certain views from the improvements to be erected on the Lot. To assist the Owners in maintaining the views of each Lot and ensure proper scale of the improvements to be structured on each Lot, there shall be included within the Design Guidelines a Lot Zoning Plan partitioning each Lot into areas or zones. Each zone shall have limitations upon the type and size of the improvements permitted to be constructed or erected in that zone. As more particularly described and delineated in the Design Guidelines, the zones are: Front Yard Zone, the front yard portion of the Lot nearest the street; House Zone, the building footprint; Side Yard Zone, adjacent side yards; Recreational Zone, the portion of the rear yard closest to the dwelling in which swimming pools, decks, hot tubs, limited fencing, etc. shall be permitted; and the Back Yard Zone and the Natural Zone, the rear portions of the Lot reserved for open space and view corridors in which improvements are restricted. The Lot Zoning Plan, as part of the Design Guidelines, is subject to amendment by the [Board after review of the recommendations of the Architectural Review Committee](#).

18. Minimum Floor Areas. The floor area of any dwelling erected upon any Lot, exclusive of basement and attached porches and garages, shall be not less than eighteen hundred (1,800) square feet for a one (1) story dwelling, nor less than two thousand (2,000) square feet for a two (2) story dwelling and all dwellings in excess of two (2) stories shall have not less than two thousand one hundred square feet (2,100). The Architectural Review Committee shall be permitted to reduce the aforesaid minimums by an amount not to exceed ten percent (10%), to the extent, if any, permitted by Talbot County.

19. Neat Appearance. Owners shall, at all times, maintain their Lots and all appurtenances thereto in good repair and in a state of neat appearance, including but not limited to, the seeding, and mowing of all lawns and yards, keeping all sidewalks, if any, neat, clean and in good repair, and free of ice and snow, the pruning and cutting of all trees and shrubbery and the painting (or other appropriate external care) of all buildings and Structures on the Lot, all in a manner and with such frequency as is consistent with good property management and maintenance. If, in the opinion of the [Architectural Review Committee Board](#), any Owner fails to perform the duties imposed hereunder, the Association, on affirmative action of a majority of the Board of Directors, after fifteen (15) days written notice to such Owner to remedy the condition in question, and upon failure of the Owner to remedy the condition, shall have the obligation, through its agents and employees, to enter upon the Lot in question and to repair, maintain,

repaint and restore the Lot and the improvements or Structures thereon, and the cost thereof shall be a binding, personal obligation of such Owner, as an additional assessment on the Lot.

20. No Docks. No dock shall be erected or maintained appurtenant to any Lot within the subdivision except for Lot 27 within Phase I, or Lots 70 and 71 as shown on the Plats of Tilghman-on-Chesapeake.

21. No Excavation. No excavation shall be made on any Lot except for the purpose of building thereon at the time when the building operations are commenced, and no earth or sand shall be removed from any Lot except as part of such operations.

22. No Hunting. No hunting or discharge of firearms or projectile weapons of any nature whatsoever—including without limitation compressed air weapons, bows, crossbows, or slingshots—shall be permitted on the Property or any Lot.

23. Non-Interference with Utilities. No Structure, planting or other material shall be placed or permitted to remain upon any Lot which may damage or interfere with any easement for the installation or maintenance of utilities, or which may unreasonably change, obstruct or retard direction or flow of any drainage channels. No poles and wires for the transmission of electricity, telephone and the like shall be placed or maintained above the surface of the ground on any Lot.

24. Non-Tidal Wetlands, Wildlife Refuges and 75' Buffer Area. 7. Maximum Annual Assessment.

7.1. The maximum annual assessment may be increased each year by not more than ten percent (10%) of the maximum annual assessment for the previous year without a vote of the membership of the Association.

7.2. ~~The maximum annual assessment may be increased above the ten percent (10%) limitation specified in the preceding sentence only (a) by a vote of two-thirds (2/3) of members of the Association, voting in person or by proxy, present at a meeting duly called for such purpose, or (b) to the extent a larger increase is required to meet the funding amount recommended in the most recent Reserve Study.~~ THE MAXIMUM ANNUAL ASSESSMENT MAY BE INCREASED ABOVE THE TEN PERCENT (10%) LIMITATION SPECIFIED IN THE PRECEDING SENTENCE ONLY (A) BY A VOTE OF TWO-THIRDS (2/3) OF MEMBERS OF THE ASSOCIATION, VOTING IN PERSON OR BY PROXY, PRESENT AT A MEETING DULY CALLED FOR SUCH PURPOSE, OR (B) TO THE EXTENT A LARGER INCREASE IS REQUIRED TO MEET THE FUNDING AMOUNT RECOMMENDED IN THE MOST-RECENT RESERVE STUDY.

7.3. Subject to Section 7.2(b), the Board of Directors ~~of the Association~~ may fix the annual assessment or charges against each member at any amount not in excess of the maximum. Subject to the limitations set forth in this Section 7, and for the periods therein specified, the Association may change the maximum and the basis of the assessments fixed by this Section 7, prospectively for any period, provided that any such change shall have the assent of two-thirds (2/3) of the members of the Association, voting in person or by proxy, present at a meeting duly called for such purposes.

8. Nonpayment of Assessment. Any assessment not paid within fifteen (15) days after the due date, shall be delinquent and shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and shall be subject to a late charge of Fifteen Dollars (\$15.00) per month until paid, or ten percent (10%) of the delinquent Assessment, whichever is greater, and the Board ~~of Directors~~ shall have the right to declare the entire balance of the Assessment and accrued interest thereon to be immediately due and payable. The Association may bring an action at law against the Owner personally obligated to pay the same, and/or, without waiving any other right, at equity to foreclose the lien against the Lot in the same manner and subject to the same requirements as are specified by the law of Maryland for the foreclosure of mortgages or deeds of trust containing a power of sale or an assent to a decree, and there shall be added to the amount of such assessment the reasonable costs of preparing and filing the complaint of such action, and in the event that judgment is obtained, such judgment shall include interest on the assessment as above provided and reasonable attorneys' fees to be fixed by the court together with the cost of the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.

9. Notice and Quorum. Written notice (electronic mail is considered a valid form of written notice for this purpose) of any meetings of members of the Association called for the

purpose of taking any action authorized shall be sent to all members not less than ten (10) days, or more than sixty (60) days, in advance of the meeting. At the first such meeting called, the presence at the meeting of members or of proxies, entitled to cast sixty percent (60%) of all of the votes of the members entitled to be cast at such a meeting shall be necessary and sufficient to constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at any subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

10. Action by Written Consent of the Members. ~~Any~~Notwithstanding any language herein to the contrary, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the Association delivers a written ballot to every member entitled to vote on the matter. The written ballot shall set forth each proposed action, provide an opportunity to vote for or against each proposed action, and provide a deadline for return of the ballot, which shall be at least 15 days and no more than 90 days from the date such notice is sent. Ballots may be paper or electronic, so long as the method allows the Board to maintain proper records of each member's vote. The Board may provide a recommendation for approval or denial of each proposed action with such ballot. Approval by written ballot pursuant to this section shall be valid only when:

10.1. ~~the~~The time, as set forth in the ballot notice, has passed so that a quorum can be determined; or

10.2. ~~the~~The number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which all members of the Association were present.

11. Reserve Funds. ~~The annual assessments shall be sufficient to include at least the funding amount recommended in the most recent Reserve Study, along with such additional replacement of capital improvements in the Common Area as may be determined by the Board~~THE ANNUAL ASSESSMENTS SHALL BE SUFFICIENT TO INCLUDE AT LEAST THE FUNDING AMOUNT RECOMMENDED IN THE MOST-RECENT RESERVE STUDY, ALONG WITH SUCH ADDITIONAL REPLACEMENT OF CAPITAL IMPROVEMENTS IN THE COMMON AREA AS MAY BE DETERMINED BY THE BOARD. If the most recent Reserve Study was an initial Reserve Study, the Board shall, within 3 fiscal years following the fiscal year in which the initial Reserve Study was completed, make such annual assessments as are necessary to attain the annual reserve funding level recommended in the initial Reserve Study. A proportionate amount of each assessment payment received by the Association applicable to the reserve fund shall be received and held by the Association in trust, and shall be held separate and apart from other Association funds. Such trust funds shall be retained by the Association and used only for capital improvements and/or replacement of Common Area facilities of the Association upon the approval of a majority of Owners. Such reserve fund shall be conclusively deemed to be a common expense of the Association and may be deposited with any banking institution, the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Board, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. The reserve for replacement of the Common Area may be expanded only for the purpose of effecting replacement relating to the Common

Area. The Association may establish such other reserves for such other purposes as the Board may from time to time consider to be necessary or appropriate. The proportional interest of any member in any such reserves shall be considered an appurtenance of the Owner's Lot and shall not be separated from the Lot to which it appertains and shall be deemed to be transferred with such Lot.

12. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment, applicable for that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement located on the Common Area, including without limitation the Yacht Club, including without limitation fixtures and personal property related thereto, and/or to need any other deficit of the Association or any emergency or unforeseen expenses of the Association, provided that such assessment shall first be approved by two-thirds (2/3) of the votes of the members of the Association, voting in person or by proxy, present at a meeting to be called for such purpose.

13. Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage(s) or deed(s) of trust now or hereafter placed upon the Lot subject to assessment; provided, however, that the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. Such sale or transfer shall not relieve such Lot from liability for any assessments thereafter becoming due, nor from the lien of any such future assessment.

14. Use of Assessments. The assessments and charges levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the members of Tilghman-On-Chesapeake, and in particular for:

14.1. the improvement and maintenance, operation, care, services and facilities related to the use and enjoyment of the Common Area, including fees paid to any management agent, or charge related to the Yacht Club;

14.2. the payment of taxes on the Common Area (except to the extent that proportionate shares of such public charges and assessments on the Common Area may be levied against all Lots laid out on the Property by the tax collecting authority so that the same is payable directly by the Owners thereof, in the same manner as real property taxes assessed or assessable against the Lots);

14.3. the payment of insurance premiums on the Common Area;

14.4. the costs of repair, replacement and additions to the Common Area and improvements thereon;

14.5. the cost of obtaining, planting and thereafter maintaining street trees throughout Tilghman-On-Chesapeake as required by Talbot County, Maryland, whether or not such street trees are located in the Common Area;

14.6. the costs of utilities and other services which may be provided by the Association for Tilghman-on-Chesapeake as may be approved from time to time by a majority of the members of the Association;

14.7. the cost of funding all reserves established by the Association, including a general operating excess and a reserve for replacements; or

14.8. the cost of labor, equipment, materials, management and supervision, or debt service incurred or expended in performing all of the foregoing; Both annual and special assessments must be fixed at a uniform rate for all Lots with respect to those Common Areas and facilities appurtenant to all Lots.

ARTICLE IX. INSURANCE AND CASUALTY LOSSES

1. Damage and Destruction of Common Area.

1.1. Immediately after any damage or destruction by fire or other casualty to all or any part of the insurable improvements on the Common Area, the Board of Directors, or its agent, shall proceed with the filing and adjustment of all claims arising under the fire and extended coverage insurance maintained by the Association and obtain reliable estimates of the cost of repair or reconstruction of the damaged or destroyed improvements. Repair or reconstruction means repairing or restoring the improvements to substantially the same condition in which they existed prior to the fire or other casualty.

1.2. Any damage or destruction to insurable improvements on the Common Area shall be repaired or reconstructed unless at least seventy-five percent (75%) of the members present at a meeting of the membership held within ninety (90) days after the casualty shall decide not to repair or reconstruct, and at least two-thirds (2/3) of the first Owners of all Lots have given their prior written approval not to rebuild as provided herein.

1.3. If, in accordance with Section 1.2, the improvements are not to be repaired or reconstructed and no alternative improvements are authorized by the members, then and in that event the damaged Common Area shall be restored to its natural state and maintained as an undeveloped portion of the Common Area by the Association in a neat and attractive condition.

1.4. In such event, any excess insurance proceeds shall, be paid over to the Association for the benefit of the Property, which proceeds may be used and/or distributed as determined by the Board of Directors, in its discretion, or as otherwise provided in the Articles of Incorporation and/or the Bylaws of the Association.

2. Hazard Insurance on Improved Lots. Each Owner of an improved Lot at all times shall maintain fire and extended coverage insurance or other appropriate damage and physical loss insurance, in an amount equal to not less than one hundred percent (100%) of the current replacement value of the improvements on the Lot.

3. Obligation of Lot Owner to Repair and Restore.

3.1. In the event of any damage or destruction of the improvements on a Lot, the insurance proceeds from any insurance policy on an improved Lot, unless retained by a Lot Owner of a Lot, shall be applied first to the repair, restoration or replacement of the damaged or destroyed improvements. Any such repair, restoration or replacement shall be done in accordance with the plans and specification for such improvements as originally approved; unless the Owner desires to construct improvements differing from those so approved, or when such improvements had not been approved, in which event the Owner shall submit plans and specifications for the improvements to the Architectural Review Committee and obtain its approval prior to commencing the repair, restoration or replacement. If any first Lot Owner does not permit insurance proceeds to be used to restore any damaged or destroyed improvements, then the Owner of such Lot shall raze the improvements and return the Lot to its natural condition free of all debris.

3.2. If any Owner of an improved Lot fails to maintain the insurance required by Section 2 herein, the Association may, but shall not be obligated to, obtain such insurance and pay any premiums required in connection with obtaining such insurance. Such Owner shall be personally liable to the Association for any costs incurred by the Association in obtaining such insurance, to the same extent as he is liable for assessments levied against such Lot, and, upon the failure of the Owner to pay such costs within ten (10) days after such Owner's receipt of a written demand therefore from the Association, the Association may establish a lien therefore upon the Owner's Lot in accordance with and subject to the provisions of this Declaration applicable to an assessment lien.

4. Premiums for Insurance. Maintained by Association Premiums for all insurance and bonds required to be carried under Section 6, hereof or otherwise obtained by the Association on the Common Area shall be an expense of the Association and shall be included in the annual assessments.

5. Repair and Reconstruction of the Common Area. If any improvements on the Common Area are damaged or destroyed, and the proceeds of insurance received by the Association are not sufficient to pay in full the cost of the repair and reconstruction of the improvements, the Board of Directors shall, without the necessity of a vote of the members, levy a special assessment against all Owners in order to cover the deficiency in the manner provided in ARTICLE VIII herein. If the proceeds of insurance exceed the cost of repair, such excess shall be retained by the Association and used for such purposes as the Board of Directors shall determine.

6. Types of Insurance Maintained by Association. The Board of Directors shall have the authority to and shall obtain:

6.1. Insurance on all insurable improvements on the Common Area against loss or damage by fire or other hazards, including extended coverage, vandalism, and malicious

mischief in an amount sufficient to cover the full replacement cost of such improvements in the event of damage or destruction;

6.2. A public liability insurance policy covering the Association, its officers, directors and managing agents, having at least a Two Million Dollar (\$2,000,000.00) limit per total claims that arise from the same occurrence, including but not limited to liability insurance for any other recreational facilities located in Tilghman-On-Chesapeake, in an amount not less than the minimum amount required by applicable law, ordinance or regulation;

6.3. Workmen's compensation insurance, if and to the extent required by law; and

6.4. At their discretion, Fidelity bond or bonds or insurance covering all Directors, officers, employees and other persons handling or responsible for the acts or funds of the Association, in such amounts as the Board of Directors deems appropriate.

ARTICLE X. RIGHTS OF MORTGAGES

Regardless of whether a Mortgagee in possession of a Lot is its owner, (i) such Mortgagee in possession shall have all of the rights under the provisions of this Declaration, Plats of Tilghman-On-Chesapeake, the Articles of Incorporation, the By-Laws and applicable law, which would otherwise be held by such Record Owner, subject to the operation and effect of anything to the contrary contained in its Mortgage, and (ii) the Association and each other Record Owner or person shall be entitled, in any matter arising under the provisions of this Declaration and involving the exercise of such rights, to deal with such Mortgagee in possession as if it were the Record Owner thereof.

2. **Priority over Assessment.** A Mortgagee's interest in a Lot under its Mortgage shall be:

2.1. free of any claim or lien for any Assessment levied against such Lot before such Mortgage is recorded among the Land Records (unless before such recordation a statement of lien covering such Assessment is recorded among the Land Records), other than any claim for a pro rata share of the amount represented by such Assessment which results from any pro rata reallocation of such Assessment among all of the Lots, including such Lot; and

2.2. free of any such claim or lien arising after such recordation of such Mortgage.

3. Actions Conditioned on Mortgagee's Approval. Unless two-thirds (2/3) of the first Mortgagees of all Lots have given their prior written approval thereof, the Association shall not by act or omission:

3.1. 3.4. Change the method of determining the Assessments; or

3.5. By act or omission waive or abandon any scheme of regulations, or enforcement thereof, set forth in the provisions of this Declaration, pertaining to the architectural design or the exterior appearance or maintenance of Lots or improvements thereon, or the maintenance and upkeep of the Common Area.

4. Inspection; Statement; and Notice. A Mortgagee shall, upon request of the Association, be entitled to:

4.1. Inspect the Association's books and records during normal business hours; Receive an annual financial statement of the Association within ninety (90) days after the end of any fiscal year of the Association;

4.2. Be given timely written notice of all meetings of the Membership, and designate a representative to attend all such meetings;

4.3. Be given timely written notice of the occurrence of any substantial damage to or destruction of the Common Area, or if the Common Area is made the subject of any condemnation or eminent domain proceeding or the acquisition thereof is otherwise sought by any condemning authority; and

4.4. Be given timely written notice by the Association of any default by the Record Owner of such mortgagee's Lot in performing such Owner's obligations under the provisions of this Declaration, the Articles of Incorporation or the By-Laws which is not cured

within thirty (30) days after such default commences, but the failure to give such notice shall not affect the validity of the lien for any assessments levied pursuant to this Declaration.

ARTICLE XI MISCELLANEOUS

1. Amendment.

1.1. Except as where otherwise provided for herein for specific Sections, this Declaration may only be amended by an instrument in writing, signed and acknowledged by the President or Vice-President and Secretary or Assistant Secretary of the Association with the approval of at least two-thirds (2/3) of the Members of the Association voting, pursuant to Article IV Membership (a), above, in person or by proxy, present at a meeting of the Association duly called for such purpose.

3. Enforcement.

3.1. If, in the opinion of the Architectural Review Committee, any Owner fails to perform the duties imposed hereunder, the Association, on affirmative action of a majority of the Board of Directors, after fifteen (15) days written notice to such Owner to remedy the condition in question, and upon failure of the Owner to remedy the condition, shall have the obligation, through its agents and employees, to enter upon the Lot in question and to repair, maintain, repaint and restore the Lot and the improvements or Structures thereon, and the cost thereof shall be a binding, personal obligation of such Owner, as an additional assessment on the Lot.

3.2. Notwithstanding the provisions of subsection (a) in this section, enforcement of this Declaration may be by proceedings at law or in equity, including by

imposition of a lien, against any person or persons violating or attempting to violate any covenant, either to restrain the violation or to recover damages, or both. In acquiring title to any Lot in Tilghman-On-Chesapeake, the purchaser or purchasers violating or attempting to violate any Covenant, agree to reimburse the Association and/or any Owner for all costs and expenses for which it or they may be put as a result of the said violation or attempted violation, including but not limited to, court costs and attorneys' fees.

In compliance with the Maryland Homeowners Association Act, the Board may adopt electronic transmission of notices.
