Non-Residents
TOC Marina Slip Fees and Rules
2027 Season

Welcome to Tilghman on the Chesapeake Marina. Slip fees include on site trailer storage, access to showers and laundry. Access to the pool is available for an additional charge.

BOAT SIZE	FEE
Under 29 ft	$2800
29 ft and over	$3300
Electric Surcharge (all boats equipped with A/C)	$330
Pool Family Membership	$1650
Trailer Storage	$200

AC use is only to be used when people are onboard or for cooling down or drying out.

If there is a waiting list, boaters that join the pool will have priority over non-pool members.

Paperwork (now Google Form)

To be assigned a slip you need to fill out google form. To request a form please email Tommy at gambletommy65@gmail.com

Payment

If you choose to pay by check, put your payment in the dropbox at base of the stairs in the club house or send your Payment to:

TOC Facilities, LCC

PO Box 432

Tilghman, MD 21671

Guests

1. Available to all slip holders includes the use of the washroom facilities.
2. Only two guest boats per slip holder at a time are permitted.
3. Guests may dock at the marina according to the following fee schedule:

$50/night Electricity with A/C +$10/night

4. The slip holder is responsible for notifying the Marina Committee in advance of their guests' visit (or any extension) and is responsible for submitting the above fee to the Treasurer. You can pay electronically by going to our website www.mytocca.org click on "Seasonal Slips Available" and then "Marina Slip Payment"

Pool Family Membership

1. Pool users must follow posted rules or their pool privileges may be revoked.
2. Families are allowed two guests per visit. If you have a need to accommodate additional guests at any given time please contact a Tommy at gambletommy65@gmail.com

Liveaboards are not permitted in TOC Marina.

The season is April 1–November 30. Slip holders may keep their boats in the water year-round, however, note that outside of the season boat insurance must remain in full force, heaters of any kind are not allowed and there is no dock water.
